Proudly sponsoring this and other great programs for kids!

The Ecology Awareness Program is one of many fraternal programs provided free of charge and designed to help communities by helping children. Other youth educational programs include:

- Exercise and Nutrition Program
- Patriotic Civics Program
- School Speech Contest
- Financial Literacy Program
- Safety and Life Skills Program

Like to know more?
For more information about these and other fraternal programs, financial services or career opportunities with Modern Woodmen, contact your local representative or visit us online at www.modern-woodmen.org.
I wonder: Write down any puzzles or questions that cross your mind. I wonder...

senses: Write down what you hear, smell, feel, connection to this place? What about it caught your eye? Tune into your other senses. Write down: "Who, when, where, why, how" about the object. What is it?

Detail: Choose one thing in the environment. Living or dead. To draw in detail.

Landscape: Draw an answer to the question:

What kind of day is it?

weather conditions:

Sit by yourself quietly. Label each sketch with the location, time, date and then draw and write:
