

Tips for Using Modern Woodmen of America's Youth Educational Programs

Thank you for using Modern Woodmen of America's Youth Educational Programs. We are proud of our programs and are sure you will find they enhance your school's curriculum and help your students to become more safe, responsible and confident.

The Modern Woodmen School Speech Contest is a school competition offering students opportunities to develop skills in clear thinking and public speaking. Our other five youth educational programs are divided into three levels:

- Level 1 – Pre K through second grade.
- Level 2 – Third grade through fifth grade.
- Level 3 – Sixth grade through eighth grade.

The recommended age ranges are simply guides; please feel free to adapt our programs to best suit your participants' needs. For example, you may wish to:

- Draw from lessons in other levels (or other programs) to reinforce a particular topic.
- Simplify or supplement the activities and reproducibles in a lesson to more closely correspond to your participants' abilities.
- Augment a topic with traditional and online resources found within a lesson or in the Resources section of each level of a program.
